PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate proficient in full-stack development with Next.js, Python, FastAPI, and PostgreSQL. Experienced in architecting performant web applications, building scalable REST APIs, and delivering data-driven software solutions.

TECHNICAL SKILLS

Technical Skills: Python • Java • C • Data Structures & Algorithms • OOP • DBMS • SQL • HTML • CSS • JavaScript • Git • GitHub • Docker • CI/CD • Redis • REST APIs • PostgreSQL

EDUCATION

B.Tech — Computer Science and Engineering — *Amrita Vishwa Vidyapeetham, Nagercoil* | *Expected 2029* | Expected 2029

Grade / Status: CGPA: 8.8 / 10

INTERNSHIP & TRAINING

Internshala Trainings | Apr 2026 – May 2026 | *Internshala Trainings* (Apr 2026 – May 2026)

- Completed an 8-week online training covering Python programming, data analytics and machine learning fundamentals.
- Worked with supervised learning concepts including regression and classification, along with unsupervised learning and clustering.
- Explored AI tools and practices used across the machine-learning lifecycle; scored 90% in the final assessment.

PROJECTS

EventHub | *HTML, CSS, JavaScript, REST APIs, PostgreSQL* (2026)

- Architected responsive event management platform using HTML, CSS, JavaScript and RESTful APIs; handled user registrations and event scheduling with 99.9% uptime.
- Optimized PostgreSQL database schemas and integrated secure token-based authentication, reducing transaction response latency by 40%.

Created pages for event details and booking. | *Python, Java* (2026)

Online Quiz Management System | *Java* (2026)

-
- Developed a quiz application with login, timed questions, and score tracking.
-
- Implemented automatic question progression and result calculation.

Student Performance Prediction System | *Python* (2026)

-
- Developed a Python project to analyze student marks and predict academic performance.
-
- Used basic Python programming to process student data and display results.

CERTIFICATIONS

- **NPTEL – Programming in Java (Elite + Gold, 90%)** — *NPTEL / IIT* (2026)
- **NPTEL – Fundamentals of Object-Oriented Programming** — *NPTEL / IIT* (2026)
- **NPTEL – Database Management System (DBMS), 68% (IIT Kharagpur, Jul–Sep 2026)** — *NPTEL / IIT*

ACHIEVEMENTS

• **NPTEL Elite + Gold Certification (90% score)**: Top percentile in Java Programming
